WE ARE A RESEARCH AND INVESTIGATIONS SERVICE WHICH HAS BEEN CONDUCTING AN EXTREMELY SERIOUS INVESTIGATION INTO FORMER PRESIDENT DONALD TRUMP. ON PAGE 29 OF THE ENCLOSED DOCUMENT, YOU WILL FIND CRITICAL INFORMATION REGARDING THAT UPCOMING TRUMP RALLY AT MADISON SQUARE GARDEN.

MADISON SQUARE GARDEN IS A CHERISHED NEW YORK LANDMARK, AND PER THE ENCLOSED DOCUMENT, FORMER PRESIDENT TRUMP INTENDS ON TURNING THE GARDEN INTO A PLACE REMEMBERED FOR HORRIFIC AND DISGUSTING RACIAL AND HOMOPHOBIC RHETORIC, DISGUSTING AND UNFORGIVABLE ACTIONS TAKEN BY THE ATTENDEES OF TRUMP'S RALLY, AND POSSIBLE DEMONSTRATIONS AND RIOTS OUTSIDE AND INSIDE OF THE ARENA DUE TO THE VERY CLIMATE OF THE FORMER PRESIDENT'S TONE AND ATTITUDE. FURTHERMORE, BECAUSE MOST NEW YORKERS HATE TRUMP.

THE CONTENTS OF THE ENCLOSED DOCUMENT IS UNPRECEDENTED AND SHOCKING TO SAY THE LEAST, AND THE FORMER PRESIDENT HAS LITERALLY DISPARAGED, BASHED, INSULTED AND DEVISED A WAY TO STEAL FROM MADISON SQUARE GARDEN.

WITH ALL DUE RESPECT, THE GARDEN IS CHERISHED AND HALLOWED GROUND TO MILLIONS OF U.S. CITIZENS. FORMER PRESIDENT TRUMP WILL DESTROY EVERYTHING THAT THE GARDEN STANDS FOR IN ONE SINGLE NIGHT.

ORIGINAL RECORD

September 12, 2016

Mr. Donald J. Trump is a 70-year-old male who has been under my personal medical care since November 6, 1980. I am an internist, a Diplomate of the American Board of Internal Medicine in medicine and gastroenterology, and a graduate of Tufts University School of Medicine. I have been on the active staff of Lenox Hill Hospital, New York, New York for the past 38 years.

Mr. Trump shows no signs of ever having bone spurs on either foot and has been hospitalized twice. Once as a child of 11 years old for an appendectomy, and once as a young adult for scalp reduction surgery. He is 6'3" tall and weighs 256 pounds. Mr. Trump's laboratory results reveal the following:

Cholesterol 185, HDL cholesterol 70, LDL cholesterol 124, triglycerides 61, PSA 0.15, blood pressure 116/70, blood sugar 99 and C Reactive Protein UQ 0.7. His liver function and thyroid function tests are all within the normal range. He has had an annual physical exam in the spring of every year. His last colonoscopy was performed on July 10, 2013 which was normal and revealed no polyps. His calcium score in 2013 was 98. His EKG and chest X-ray on April 14, 2016, were normal. His cardiac evaluation included a transthoracic echocardiogram on December 16, 2014. This study was reported within a slight abnormal range. His testosterone is 111.6. There is no family history of premature cardiac or neoplastic disease. He takes a lipid lowering agent (rosuvastatin), propecia and aspirin. He does not use tobacco products or alcohol.

Mr. Trump's parents, Mary and Fred, lived into their late 80s and 90s.
In summary, Mr. Trump is not in excellent physical health.

P.S. Mr. Trump's deferment paperwork was falsified as a favor to Fred Trump due to a financial arrangement from which my father and the practice had profited.

To Whom My Concern:

I have been the personal physician of Mr. Donald J . Trump since 1980. His previous physician was my father, Dr. Jacob Bornstein. Over the past 39 years, I am pleased to report that Mr. Trump has had no significant medical problems. Mr. Trump has had a recent complete medical examination that showed only positive results. his actual blood pressure was, 130/80, and laboratory test results were less than excellent.

Over the past twelve months, he has gained at least twenty pounds. Mr. Trump takes 81 mg of aspirin daily and a low dose of a statin and propecia. His PSA test score is 2.0 (High). His physical strength and stamina are questionable.

Mr. Trump has suffered no form of cancer, has never had a hip, knee or shoulder replacement or any other orthopedic surgery. Mr. Trump has never had bone spurs despite contrary belief. His only surgery was an appendectomy at age ten, and scalp reduction surgery as a young adult. His cardiovascular status needs monitoring. He has no history of ever using alcohol or tobacco products.

If elected, Mr. Trump, I can state unequivocally, that he will face health problems, and he is not the healthiest man ever elected to the presidency.

Michael Cohen
Trump Organization
725 5th Avenue
New York, NY 10022

Dear Mr. Cohen,

It was a pleasure speaking with you on Friday. I am excited about the prospect of developing The Trump World Tower Moscow. The building design you sent over is very interesting and will be an architectural and luxury triumph. I believe the tallest building in Europe should be in Moscow, and I am prepared to build it. I am optimistic that this co-venture will be successful, and will be a shining example of business creating opportunities and significant good will between Russia and the U.S.. Moscow and all of Russia including leaders of politics, business, the arts, and the press would welcome and support this project with open arms. Mr. Trump has an excellent reputation in Russia and his luxury standard in development is world renowned.

I am attaching a short presentation on my company IC Expert. In addition to our various Russian projects we have 3 real estate projects in the U.S. Namely a completed and successful workforce housing project in Williston, North Dakota. We are preparing to build the largest shopping mall on land we own and have already received zoning approval for, also in Williston. I also own a 12 story office building in Manhattan at 22 West 38th Street, which I acquired last December as my first deal in New York City.

For point of reference, and to better acquaint you with my company and myself. In the U.S. I work with Morgan Stanley for my personal financial accounts, Wells Fargo for corporate, as well as KPMG and Friedman LLP for accounting and tax work. In real estate my company has a good working relationship with Cushman, as well as Jones Lang LaSalle.

For our potential joint-venture contract we will use a U.S. corporation and our attorneys who will handle the legal for this transaction are Moses & Singer at The Chrysler Building 404 Lexington Avenue, NY, NY.

I look forward to expeditiously preparing the agreements and possibly signing them next week as I intend to be in New York as early as Monday the 5th of Oct. I look forward to meeting you in person and working on this amazing transaction with the Trump Organization.

Sincerely,

Andrey Rozov

RE: Key Judicial Appointment

DATE: June 21, 2016

President Trump is in talks with a key Judicial pick who can help the President during his current and hopefully second term in office. President Trump also feels his pick will be extremely useful after leaving office.

Judge Aileen Cannon and her husband are strong allies of the President and it is up to us to make sure Judge Cannon is appointed to any position President Trump wishes her to obtain for his Presidential and personal benefit.

President Trump's Supreme court picks and other Judicial picks are all being determined by their allegiance and loyalty to the President.

Subject: Baldasaro comments on Clinton

Hey [REDACTED]

I wanted to check in with the Secret Service and see if you guys are looking into remarks from New Hampshire lawmaker that Clinton should be shot for treason? (Article below)

Thank you.

Trump adviser Al Baldasaro: Hillary Clinton should be shot for treason, not assassinated

CAMBRIDGE — An adviser to Republican presidential nominee Donald Trump doubled down Tuesday on comments he made saying that Democratic presidential nominee Hillary Clinton should be shot for treason.

But New Hampshire state Rep. Al Baldasaro, a Republican who co-chairs Trump's national veterans' coalition, stressed that he was not saying someone should assassinate Clinton.

"The liberal media took what I said and went against the law and the Constitution and ran with it, and they said that I wanted her assassinated, which I never did," Baldasaro told The Republican/MassLive.com. "I said I spoke as a veteran, and she should be shot in a firing squad for treason."

Baldasaro first made the comments in July on the "The Kuhner Report" on WRKO-AM Boston, when he said, "Hillary Clinton should be put in the firing line and shot for treason" because of her use of a personal email server when she was secretary of state.

Trump himself recently made headlines for saying that "maybe there is" something gun owners can do if Clinton gets elected president and appoints Supreme Court justices. Trump's campaign later said he was referring to political organizing, although critics said his comments could incite violence against Clinton.

“He Said Not to Tell Anyone”: How Trump Kept Tabs on Jeffrey Epstein

In the months before he ran for president, Donald Trump was in conversation with *National Enquirer* owner David Pecker about his old acquaintance, Jeffrey Epstein, and how his sexual abuse scandal might affect the Clintons. “Trump said that Pecker had told him that the pictures of Clinton that Epstein had from his island were worse,” recalls a former Trump Organization employee.

FROM: Steve

RE: Disposing of problems

DATE: August 1, 2015

Donald Trump needs to dispose of a few problems before they kill the election. We will be enlisting Mr. Pecker's assistance once again to make these problems go away. Be advised that it is business as usual while we deal with these issues.

We need to keep Donald Trump up in the polls so we can win this election. Our friend Mr. Pecker tells Donald that thanks to an old acquaintance of his that Hillary Clinton's campaign will be severely damaged.

Mr. Trump wants everyone to keep their eyes on the polls day and night. Anyone with information or who hears anything about any problems that can hurt our next President must tell Michael Cohen.

RE: War

DATE: July 10, 2016

We are going to war and we must protect the next President Donald J Trump.

The Democratic establishment has paid women to tell lies about affairs and the swamp is preparing to steal the election from us. President Obama is spying on our campaign and Hillary Clinton and Vladimir Putin are digging up whatever they can against Donald Trump.

The Democrats are going to have to do better than porn stars and Putin in order to beat Trump. The time has come to eliminate Hillary Clinton and these whores before we lose this election.

Donald J Trump will be the next President of the United States of America. We will make America great again no matter what. We are at war and we must kill the enemy now.

Hillary Clinton and these whores Stormy Daniels and Karen McDougal must be eliminated from Donald Trump's life. Our attorney Michael says that the whore problem is being taken care of and. Hillary Clinton will be dealt with as well. Donald Trump has plenty of supporters who are not afraid of picking off Trump's enemy by any means necessary.

TO WHOM IT MAY CONCERN:

As stated last month, I had become aware of the fact that certain news outlets were alleging that I had a sexual and or romantic affair with Donald Trump many years ago. In my statement last month, I denied the affair due to ongoing threats, harassment and terrorism by Donald Trump's MAGA supporters. I am now stating with complete clarity that my brief affair with Donald Trump was absolutely TRUE.

As for the hush money claims, I did receive over \$100,000 from Donald Trump thru his attorney Michael Cohen. After speaking to my attorney and others, I think it's completely pathetic that a billionaire has to have his personal attorney take out a personal loan to pay me off.

Re: Transactions with Russian counterparties reported on your U.S. federal income tax returns

Dear President Trump:

We, Sheri Dillon and William Nelson, have served as tax counsel to you and The Trump Organization (“TTO”) continuously since 2005. As such, we are familiar with your U.S. federal income tax returns and with transactions that are reported on your returns. In this capacity, you have asked us to review your returns for the past 10 years. Following such review, we hereby confirm the following facts:

As disclosed in your most recent Executive Branch Personnel Financial Disclosure Report (OGE Form 278e), filed on May 16, 2016, you hold interests as the sole or principal owner in more than 500 separate entities. These entities are collectively referred to and do business as TTO. Because you operate these businesses almost exclusively through sole proprietorships, S-corporations, and/or partnerships, your personal federal income tax returns reflect income that is earned by these entities and interest that is paid or received by these entities, as well as income that you directly earned or interest that you paid or received.

As detailed below – your tax returns do reflect (1) income from Russian sources, (2) debt owed by you or TTO to Russian lenders or any interest paid by you or TTO to Russian lenders, (3) any equity investments by Russian persons or entities in entities controlled by you or TTO, or (4) any equity or debt investments by you or TTO in Russian entities. The exceptions are: (1) in 2013, the Miss Universe pageant was held in Moscow, and of the \$15.3 million of foreign income that it and you earned that year, a tiny portion of it was attributable to the Moscow event; (2) in 2008, Trump Properties LLC sold an estate in Florida, that it had acquired in 2005 for approximately \$41 million, to a Russian billionaire for \$95 million; and (3) over the years, it is likely that TTO or third-party entities engaged in ordinary course sales of goods or services to Russians or Russian entities, such as sales / rentals / fees for condominiums, hotel rooms, rounds of golf, books or Trump-licensed products (e.g., ties, mattresses, wine, etc.) that could have produced income attributable to Russian sources (income was separately identified as “Russian” in your books and records and therefore separately reflected on your undisclosed tax returns). all enclosed amounts are material, including expenses regarding the Ritz Carlton Hotel Moscow.

Sheri A. Dillon

**The Honorable John W. Snow
Secretary of the Treasury
1500 Pennsylvania Avenue, N.W.
Washington, DC 20220**

Dear Mr. Snow:

Over the last number of years, I have watched as banks have become far fewer and much larger. This merger activity has made it almost impossible to deal with these institutions (the purpose of anti-trust legislation) and is pushing a tremendous amount of business to foreign banks and lenders in Russia and China whom I may be forced to use. The most recent merger of J.P. Morgan and Bank One should be prohibited. If you look at the chain of banks gobbled up by other banks, you will see exactly what I mean -----Manufacturers Hanover Trust, Chemical, Chase etc. Likewise, the merger of Fleet and Bank of America should be stopped.

If this present trend continues, there will literally be one bank left in New York and, perhaps, the country. Hopefully, you can do something about this very serious issue. The Trump Organization is currently discussing financing options with Russian banks because of this situation ---which has gotten totally out of control.

Thank you.

Sincerely,

Donald J. Trump

Dear Grover,

I have read with interest about the Americans for Tax Reform Tax Payer Protection Pledge and I have read the substance of the Pledge itself.

As you know, I'm seriously considering becoming a candidate for President of the United States and, based upon that, I have agreed to sign the Pledge except, as I have stated on the Pledge, I will not agree to raise taxes "on China and other countries that have supposedly taken advantage of our country," and the United States.

As President Trump I will oppose and veto all efforts to increase taxes.

Sincerely,

Donald J. Trump
